

## Happy Trails Camp

- Happy Trails Camp is a summer camp website designed for parents and children to explore exciting camp programs. The site will showcase activities such as arts & crafts, sports, outdoor exploration, and science fun. Parents can learn about camp schedules, safety measures, and staff qualifications, ensuring trust and peace of mind. Kids will enjoy interactive sections that highlight daily camp life and fun challenges. The website will also allow families to register online, making the process simple and accessible. Our goal is to create a welcoming digital hub that captures the spirit of adventure, learning, and friendship at summer camp.
- Page list:
  - Home
  - About us
  - Programs and activities
  - Gallery
  - Contact and registration
- Data is stored to manage camper registrations.
  - Camper name
  - Age
  - Chosen program
  - Parent contact info
  - Emergency contact info
- Camp staff can edit, add, and delete the registrations. Parents will be able to submit registration forms online, and staff will view and manage this information in a secure database. The data will be displayed in a way that helps camp administrators quickly view camper lists for each program.
